

AUS920030436US1

REMARKS

Claims 1-33 stand rejected under 35 U.S.C § 103(a) as unpatentable over Kirani (U.S. Patent Application Publication No. 2002/0032027 A1).

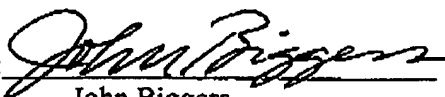

Examiner Interview of November 15, 2005

In their telephone conference of November 15, 2005, Examiner Tran recommending amending the present application to distinguish the cited art in Kira under 35 U.S.C § 103(a). Examiner Tran particularly recommended amending the claims toward the group identifier using HTML as described at pages 23 and 31 in the original specification in this case. Applicants have now amended the present application as recommended by Examiner Tran. The claims as amended here are fully enabled in the original specification, and Applicants therefore submit that the present amendments add no new matter to the present application. Applicants respectfully propose also that the case is now in condition for allowance and request early consideration and notification of allowance.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.

Respectfully submitted,

Date: November 17, 2005
